*MARTEE BRADLEY, Jr.*

A STIRRING MESSAGE, in which he paid tribute to the war dead of Ecorse and the nation, added a solemn touch to Mayor Eli Ciungan's welcoming address during the city's Memorial Day program Sunday at the reviewing stand in River-

side Park. An Air Force lieutenant during World War II, the mayor served seven months, of four years he was in service, in the South Pacific. Some 2,000 Ecorse residents witnessed the six-division parade and attended the program.—Photo by Thomas

Death was there amongst the struggle  
—Shattered hopes and aching hearts;  
Many Fathers, Sons and Brothers  
Lost in that which war imparts.

You can bet we won't forget,  
Remembrances revive our sorrow;  
Thus herein you'll only find  
Things to talk about tomorrow.
